_____ (Name/Company), hereinafter referred to as CUSTOMER, applies to South Jersey Gas, hereinafter referred to as COMPANY, for natural gas service to be installed to the residence (or residences of the development) identified under SERVICE ADDRESS listed above and hereinafter referred to as ADDRESS.

Upon receipt of this application, the COMPANY will begin the process of determining availability of service.

- Approval of natural gas service will be determined by the COMPANY at the discretion of the COMPANY.
- If the COMPANY determines distribution mains and/or services need to be extended or reinforced, APPROVAL OF THE APPLICATION will further depend upon the COMPANY'S decision to extend or reinforce such main and/or service. A contribution may be required for the extension of main and/or service.

The CUSTOMER hereby applies for natural gas service for the equipment indicated below, and further agrees such equipment will be installed at the ADDRESS (at CUSTOMER expense) prior to meter installation if service is approved.

GAS SPACE HEATER # _____	GAS DRYING # _____	FOOD PREPARATION # _____
GAS WATER HEATER # _____	GAS POOL HEATER # _____	PROCESS APPLICATIONS # _____
SPACE COOLING # _____	COGENERATION # _____	OTHER (Describe) _____

(#=total number appliance applied for.)

IF NATURAL GAS SERVICE IS APPROVED, the CUSTOMER:

- Must accurately mark out any underground lines that have been privately run. These include but are not limited to water, electric, fiber optics, telephone, sprinklers, and all lines to outbuildings.
- Agrees that the COMPANY and/or its subcontractors will not be responsible for any damages that may occur to private underground lines or systems that are not accurately marked out by the CUSTOMER.
- Agrees to install all equipment applied for above according to prevailing codes and manufacturers' installation instructions, subject to COMPANY inspection prior to installation of natural gas service and/or meter(s).
- May be required to provide a security deposit equal to two month's average estimated billing plus the highest estimated monthly bill at the applicable tariff rate.
- Will be billed a \$20.00 activation charge for each meter activated.
- May be required to contribute toward the construction cost or service and/or main.
- Applicant agrees to activate gas service within 90 days of installation. If the applicant does not, the COMPANY reserves the right to bill said applicant for the total cost of installation.

IF NATURAL GAS SERVICE IS APPROVED, the COMPANY:

- Will install meter(s) at the ADDRESS only after above equipment applied for by CUSTOMER is installed at the ADDRESS according to prevailing codes, manufacturer's installation instructions and subject to COMPANY inspection as agreed to by the CUSTOMER.

This application is neither an agreement to provide gas on the part of the COMPANY nor is it an agreement for the CUSTOMER to install equipment until the CUSTOMER receives written approval from the COMPANY, the COMPANY receives confirmation of CUSTOMER financing for the ADDRESS (if new construction), and the COMPANY obtains all necessary permits.

A NONREFUNDABLE \$15 APPLICATION FEE FOR EACH UNIT OR METER ON THIS APPLICATION IS REQUIRED FOR THE COMPANY TO PROCESS THE APPLICATION.

CUSTOMER is advised NOT to install natural gas equipment until approval is confirmed as outlined above.

Agreement to provide gas service is subject to the terms and conditions of the COMPANY tariff and any charges therein approved by the New Jersey Board of Public Utilities.

Thank you for your interest in natural gas. We look forward to serving you.

Following is a description of the steps necessary to facilitate natural gas service to your business should your application is approved.

1. Complete this Application for Service and Commercial Account Questionnaire and contact the representative in your vicinity:
Atlantic & Cape May Counties - Dottie Scheufele - cell: 609-204-1660
Cumberland & Gloucester Counties - Esther Motta - cell: 609-204-0948
Camden, Burlington & Salem Counties - Bill Clark - cell: 609-204-0947
2. Please be sure to include a copy of your site plan or plot plan that clearly shows the location of your new home on your lot. The plan must include: setback dimensions, gas meter location, any obstructions and septic system, if applicable.
3. Remember to CALL BEFORE YOU DIG – IT’S THE LAW! 1-800-272-1000
4. Provide 3 copies of your site plan for new construction.
5. Provide a copy of your mechanical or plumbing plan and a detailed list of your equipment, pressure requirements and projected gas loads.
6. Once your signed Application for Service is received, we will complete an onsite inspection and apply for any approvals and permits to run the main and/or service.
7. Clearly mark the exact meter location with a stake marked “Gas Meter” and check site for any obstructions to service installation. Obstructions must be clear or service installation will be delayed. Site must be at final grade.
8. Upon completion of service installation, you must contact our Builders Line at 609-561-9027 to schedule your gas meter installation within 90 days. Allow five to ten working days for installation. Equipment must be installed to include electricity. City inspection sticker must be at site. Be prepared to review all gas equipment and loads.

We will be pleased to answer any questions you may have to assist you with this process. Please contact our sales department during regular business hours, 8:00 a.m. to 4:30 p.m., Monday through Friday. Or email us at Sales@sjindustries.com.
