Dave Robbins

Dave Robbins is senior vice president of SJI, president of SJI Utilities, and president of South Jersey Gas. In these roles, he provides strategic oversight and drives full alignment of operational excellence across SJI's collective utility operations.

Mr. Robbins joined SJI in 1997 as a staff accountant, progressing through a number of financial and operational leadership roles, and ultimately leading to his role as president, South Jersey Energy Solutions and Marina, in 2014. Mr. Robbins was instrumental in designing and implementing SJI's five-year plan as senior vice president, strategy and corporate development, during 2016. In January 2017, he was elected president, South Jersey Gas. Mr. Robbins was named to his current position of President of SJI Utilities in 2018.

He serves as a board member of the American Gas Association, Northeast Gas Association, and New Jersey Utilities Association. He also serves as Board chair of the Chelsea Economic Development Corporation. Additionally, Mr. Robbins is a member of the Executive Leadership Cabinet of the American Heart Association's Southern New Jersey Heart Walk.
